you just go on chrome look up a picture that you like then right click on it then press save picture as...than type in a name or something .than you go back to story wars click on image look up the name that you put in when you did the save picture as...then it will show the picture you click save and then it will show your picture on your page an that's something you can add to your story.

## Chapter 7 by LuxCh3rry

they asked this before that was a feature on sorry wars :)

## Chapter 8 by Isabella Fox

### Photo bomb

If Feodor asked that question before the forum feature was on story wars, is this person even seeing our responses!? LOL

LuxC3rry, how did you even know that? :p

I'm hyper...
